

 D MARIS BAY	INTEGRATED MANAGEMENT SYSTEM POLICY	Document Code	EK-1
		Revision No	02
		Revision Date	25.03.2026

As D Maris Bay employees;

- **WE** are aware of the unique natural beauty and the view of our premises; promising peace and tranquility, by preventing possible environmental pollution and reducing the consumption of natural resources, We protect and bring it to the future.
- We greet our guests and team mates **SINCERELY** and have a high opinion of their feedbacks of any kind.
- We **SOLVE** the needs of our guests and offer them alternatives with our understanding of tailor-made service; going beyond the expectations. In this respect, we provide resources by considering sustainable tourism and energy efficiency in all our operations.
- We continuously **APPLY** our system created with our employees along with a team spirit, far from the concept of individualism in accordance with the law. We always improve by creating stories.
- We combine the creativity and perfectionism with the desire for luxury, offer extraordinary delicious meals with perfect food safety. And continuously **IMPROVE** ourselves accordingly.
